AMENDMENTS TO THE SPECIFICATION

Please amend the Specification as follows:

On page 4 of the specification, please replace the paragraph beginning at line 13 with the following:

According to the present invention, there is provided a sanitary product for insertion into a human vagina, the product comprising an internally worn <u>wearable</u> absorbent plug and an externally worn <u>wearable</u> absorbent pad joined to one another by a sheath that opens through the pad <u>and is elastic in only a circumferential direction, which allows for radial expansion,</u> such that a wearer's finger can be received in the sheath to assist insertion.
